GOOD NEWS!!! AIR PURIFIERS ADDED TO OUR POST 201 CANTEEN

We have installed two state of the art air purifiers within our canteen area in an effort to accommodate smokers and non-smokers alike.

We have listened and are attempting to find a compromise that is welcoming to all. Today, where most establishments are required by law to be smoke free, we fall within a select category of non-profit organizations that **STILL** allow smoking. A sizable number of our veterans and guests alike, have fallen on either side of the debate on whether to abolish smoking or not and, with much discussion, Post 201 is attempting to find a suitable middle ground. Stay tuned!
Our Rental Hall remains a non-smoking venue
